Sustainer Scoop

BEHIND THE SCENES

Building a Legacy Leaving a Legacy

The first Past Project Video features Joan Janssen speaking on behalf of past project: Crisis Nursery at Crittenton Center. These videos will be posted to the website and linked to our interactive

past project map. They are useful for new member trainings, as well as educating the public about our past, present, and future.

Interested in being interviewed about a past project you are close too? Know someone who might? We will use this interview (taken at JLP Headquarters or on projection location) to create a short 2-3 minute. Our team will do the taping and help prep questions and content as needed. The current team is comprised of Sustainers Holli Heinz and Kendra Sipes, and actives Lakeisha Faggett and Danni Jepson. If you would like to join in this work, or other P/R work that promotes the League please reach out to share your ideas, talent, and time.

Plans are in the works for two hard mailings annually of our Sustainer Scoop newsletters. We are looking for some help in compiling content. Reach out if interested.

September Dining Divas

Another lovely evening at Cyds in the Park. Check out next month's Dining Divas - Luncheon at Emerald Tea Room.

THANK YOU FOR HOSTING

seriously, you're the best

We look forward with gratitude to Terry Best for agreeing to open her home to the Sustainer Committee for its November Meeting. Interested in hosting a future meeting at your home? Contact Holli Heinz.

Update your Information

If any of your contact information or address has changed in the past year, let us know! Want a printed directory this year? Let us know!

Member Login

Need help logging into the Junior League of Peoria System? Want to access the calendar and other useful information? Contact Holli Heinz today to get started. Heinz.92@comcast.net

GET INVOLVED!

Enjoy our recent Progressive Dinner? Have ideas and like party planning? We are in need of someone to lead the Progressive Dinner scheduled for June 2023. Talk to fellow sustainers and reach out to let us know!
